

SEEN DR. BAILEYVILLIEN'S EMINENT AND
PAINLESS DENTIST?**DIFFICULT DENTAL OPERATIONS**Demonstrates His Painless Methods—
Has Branch Offices in
this City.

Everyone for whom Dr. Bailey has worked is marveling at the gentleness and skill with which he handles his patients. He performs the most difficult dental operations without pain and is able to save many teeth where other dentists would fail. Dr. Bailey removes nerves and extracts teeth by his own painless methods which have no equal, and at which the people marvel.

Dr. Bailey will be in Live Oak at the McCullers Bros. building, 223 1-2 Howard street, to demonstrate his painless methods as executed at his Jacksonville office (the only strictly antiseptic office in the South.) His force of experts and large volume of business enables him to turn out the best work at prices below that charged by dentists in small offices which will not average more than one set of teeth per week, while Dr. Bailey's force make from five to fifteen full sets in a day. As much practice perfects the operator, you should not fail to take advantage of this opportunity on Friday and Saturday of each week, more especially as Dr. Bailey (to advertise his Jacksonville office) will work at the following low prices:

Full set of teeth, \$5.00 up.

Crowns, \$5.00 up.

Bridges work, \$5.00 up.

Fillings, 50c up.

His work will please you. See him while here at McCullers Bros. building, Friday and Saturday of each week. Jacksonville office, 12 E. Bay, over Florida Trunk Co.

Dear Sir:—The work you have completed for me, which consists of crown and bridge work, I consider as perfect as is possible to do.

I am more than pleased.

Your painless and antiseptic methods are commendable. I cheerfully recommend them to others, and predict for you the success that your careful treatment of patients and excellent work merit.

Very sincerely,

Dr. T. A. Bailey, Jacksonville, Fla.

Dear Sir:—The work you did for my wife has proven entirely satisfactory and to be all you claimed for it, and though the prices were most reasonable, I know I could not have procured better had I paid double the price charged by you.

Your antiseptic office and clean and painless work will always be appreciated by your patients.

I gladly recommend you at every opportunity.

Respectfully,

Dr. T. A. Bailey, City.

Dear Sir:—I am very much pleased with the work you did for me. Owing to the extreme dread of the dental chair, I had put off my work from time to time and I believe had it not been for your gentleness and painless methods, I would not have been able to endure the pain usually inflicted in such operations. Others would profit by securing your services.

Very truly yours,

FRANK COOPER.
